If you believe that today’s „NEW“ ANTI-SEMITISM is any different from the Nazi Germany one, think again...

Please find below a comparison of anti-semitic cartoons from German Nazi-newspapers on the left and current anti-semitic cartoons from various Western Media on the right...

**The „Money-Grubbing Jew“**

Text: „Money is the god of the Jews. For earning money the Jew commits the biggest crimes. He doesn’t rest until he is able to sit on a big sack of money, until he has become the king of money.” (Der Stürmer)

**The „Star-of-David-Prison“**

Different nations are imprisoned by a wall in the shape of the Star of David.

Titel: The wall between nations

(Nazi Propagandist Josef Plank, Mid-30’s)

Sharon, marked with a Star of David and an exaggerated big nose, goes after the money. Obviously he doesn’t even hesitate to cross a dangerous looking gulch, since he stares only at the money.

Arabs are imprisoned by a fence in the shape of the Star of David.

(The Philadelphia Inquirer, Tony Auth, July 2003)

经典反犹太人刻板印象：

1929 | 2003

The Nazi party promoted vicious anti-Semitism and racism through aggressive publications and propaganda. In the cartoon seen here, a black and a Jew cavort with a stripper. The caption reads, „Down with culture! Up with unnaturalness!“

This close-up of an anti-Semitic cartoon depicts a Jew with stereotyped physical features: thick lips, large nose and dark eyebrows. The hair of the Jew is drawn of snakes, symbolizing poison and evil. („Der Stürmer“, 1923 to 1945)

Eulenspiegel“, Germany, September 2003
Brand-new Examples of Arabian Propaganda in the Western Media

March 2004: The Brazilian cartoonist Osmani Simanca hashed the crucifixion canard against the Jewish people.

March 2004: Newark (NJ) Star-Ledger (USA) cartoonist Drew Sheneman illustrated the claim of many print editorials that Israel’s strike against Yassin will unleash Islamic terrorism against America.

Left: Editorial cartoon from Bob Englehart of the Hartford Courant (USA, 2004)

Left: Sharon (labelled with the Star of David) is eating - obviously with relish - Palestinian children. Jews eating children (and drinking their blood) is an old antisemitic topos called „The Blood Libel“. (www.omayya.com)

Sharon opens his mouth wide for eating a Palestinian child. The additional images around him may be meant to emphasize Sharon’s alleged violent character. Texts: „What’s wrong... You never seen a politician kissing babies before? / Vote Likud...” (Independent, Dave Brown, January 2003)
